

## CARMEL COLLEGE MAJOR AWARD NOMINATION CRITERIA

To assist in determining the recipients of Major awards students are asked to self-nominate for relevant awards. A number of factors are considered in the final selection of award recipients with recipients selected from the whole student cohort not just nominations. Self-nomination will however help ensure all relevant information is considered as staff cannot be aware of everything a student does or is involved in.

Generic criteria for all awards include achievement, behaviour, attendance, involvement in school life and the upholding of school values.

Students who wish to nominate for awards must complete the nomination form and return it to Mr Chalmers by the due date shown for the particular award. You may nominate for multiple awards if you believe you meet the criteria.
